

Student Name: _____ Teacher/Grade: _____

Hi! My name is _____, and I will be participating in the Rocky Mount Elementary Roadrunner Race on February 17, 2022. I am in the _____ grade in _____'s class. The Roadrunner Race is a fun run where all students will run an obstacle course during school hours on our outdoor play area in order to raise money for my school's Foundation. Rocky Mount Foundation's purpose is to provide financial support beyond what Cobb County provides to enhance the school's ability to create meaningful and state-of-the-art educational experiences. Proceeds from the race will be used by the Foundation to continue our STEM special which all students benefit from on a weekly basis and other educational initiatives.

I would love for you to support me and help the Foundation reach their \$40,000 goal by making a flat donation toward this event. Thank you so much for your support!
