

Welcome back students and families! If you're not familiar with the Foundation, we're run by Rocky Mount parents and we raise funds to provide meaningful and state-of-the-art educational experiences for our students beyond what the county provides. **To put it simply, we raise money to help our school be the best it can be!** 100% of fundraiser proceeds go directly to Rocky Mount ES.

The 2020-2021 school has started off a little differently, but we know our school will come together to make it the best year possible for our students. With the difficulties many families are facing right now in mind, we've decided to wait to do our fundraising until March 2021 with our Second Annual Fun Run. However, if you would like to make a donation now, please go to www.rockymountfoundation.org/donate.html.

Our Foundation motto for this year (thank you for the suggestion, Dr. Doolittle!) is:

E³ = Enriching Education for Everyone

Here are just a few of the education-enriching projects funded by the Foundation:

- STEM Lab Instructor
- Grants for every teacher at RM to use for classroom enrichment and supplies
- Technology Lab Instructor
- 40 laptop computers
- STEM Lab supplies including robots and tablets
- Weekly periodicals
- Academic software
- Teacher training in the Orton-Gillingham method

Join us for monthly meetings!

We will be meeting the first Friday of each month at 1:00 p.m. (currently via Zoom). Please email info@rockymountfoundation.org for a Zoom invitation.
